DOCKET No. A2013-3

**FIFTH STATUS REPORT OF THE UNITED STATES POSTAL SERVICE
IN RESPONSE TO ORDER NO. 1852
(May 1, 2014)**

On October 22, 2013, Postal Regulatory Commission issued PRC Order No. 1852, which directed the Postal Service to file a detailed status report describing the progress of the Climax Post Office discontinuance study within ten days from the date of the Order and every forty-five days following the initial report. This report responds to that directive. The Climax Post Office, located at 102 W. Broad Street, Climax, Georgia, remains in emergency suspension status. The Postal Service has signed a new lease agreement, taken possession of the premises, and is in the process of preparing the facility so that it may provide retail services. On April 21, 2014, the Postal Service distributed a customer letter, informing them that the Postal Service intends to resume operations at the Climax, Georgia Post Office on May 17, 2014. See Attachment 1.

Additionally, the Postal Service intends to resume the process of implementing POST Plan at the facility. A community meeting is scheduled for 2:00pm, Thursday, May 1, 2014 at the Climax Baptist Church, 204 Lee Street, Climax, Georgia.
